OFFICE POLICY

ATTENDANCE POLICY

It is our goal to provide our patients with the highest quality of care while also attempting to accommodate our patients' schedules for their convenience. Therefore, we provide reserved time slots for each patient in order to minimize our patients' waiting time and assure continuity of treatment. Your consistent attendance of the planned treatment regimen is an important factor in your recovery.

While we are sensitive to the fact that emergencies may occur in rare instances, cancellations [especially those which are last minute] and missed appointments decrease our ability to accommodate the scheduling needs of other patients. Therefore, we require that our patients comply with the Cancellation and Missed Appointment Policy:

If you cancel a scheduled appointment less than twenty-four (24) hours prior to the scheduled appointment time, or if you do not arrive to the appointment at all, it will be considered a "missed appointment" and you will be charged a Missed Appointment Fee of $50.00;

I intend this consent form to cover the entire course of treatment of my present condition and for any future condition(s) for which I seek treatment. I understand that I may refuse treatment at any time and that I am responsible for my healthcare choices.

OUR PRIVACY POLICY

The office of Focus Physical Therapy is committed to upholding the security and confidentiality of personal information that you provide to us. We take responsibility of safeguarding your information very seriously. We do not share or sell patient information with anyone outside our office without your written consent.
